

CITY OF LENOIR

Historic Downtown Lenoir Streetscape Improvement Project

**It's Not Too Late To
Reserve Your Place on the Square**

Pavers honoring family members, graduating classes, and pavers in memory of loved ones are making a lasting impression on the Square. The price for each of the remaining pavers in the first 500 to be ordered is \$125.00. After the first 500 pavers have been ordered, the price will go up to cover the increased cost of having pavers sent to the company for engraving. Pavers may be engraved with the name or names of the individuals or groups you wish to honor. **Paver orders are sent to the manufacturer when at least ten pavers have been ordered and generally take 4 to 5 weeks to be completed.**

Corporate or personal gifts will be accepted in the amounts of \$125.00 minimum (one paver). Any business, corporation, or individual who donates in the amounts of \$1,500 (gold level), \$1,000 (silver level), or \$500 (bronze level) will be recognized on a plaque that will be adjacent to the Community Stage when the entire project is completed. Your donation is tax deductible to the fullest extent permitted by existing federal and state tax laws and can be acknowledged with a letter for documentation purposes.
