X. ADJOURNMENT

**LENOIR CITY COUNCIL
TUESDAY, FEBRUARY 18, 2020
6:00 P.M.**

PRESENT: Mayor Gibbons presiding. Councilmembers present were Beal, Perdue, Perkins, Prestwood, Stevens, Thomas and Willis. Also in attendance were City Manager Hildebran, City Clerk Cannon and City Attorney Rohr.

I. CALL TO ORDER

- A. The meeting was opened by a moment of silence followed by the Pledge of Allegiance as led by Mayor Gibbons.

II. MATTERS SCHEDULED FOR PUBLIC HEARINGS

III. CONSENT AGENDA ITEMS

- A. Upon a recommendation by City Manager Hildebran, the following Consent Agenda items were submitted for approval:
1. Minutes: Approval of the minutes of the City Council meeting of Tuesday, February 4, 2020 as submitted.
 2. Minutes: Approval of the closed session minutes of the City Council meeting of Tuesday, February 4, 2020 and the City Council meeting of Tuesday, September 2019 as submitted.
 3. Amendment No. 1; Engineering Services Contract: Staff recommends approval of Amendment No. 1 to the Engineering Services Contract with McGill Associates for the Crossroads Sewer Replacement Project. The amendment to the scope of the agreement results in increases to the Planning, Surveying, Design line item by \$21,000 and the Construction Phases services for the Linkside Sewer by \$16,000. (A copy of the amendment is hereby incorporated into these minutes by reference. Refer to page 29).

Public Utilities Director Radford Thomas clarified for Council that the increases in the amount of the contract with the project are due to a change in the scope of the project. The Division of Water Infrastructure allowed the addition of the sewer line work along Wilkesboro Boulevard to turn the flow of the sewer from the new car wash heading east to Linkside Court. The new line will tie back into the system at Viridian apartments on Linkside. This will allow us to abandon the sewer line that runs under the major intersection at Smith Crossroads.

Upon a motion by Councilmember Stevens, Council voted 7 to 0 to approve the above listed items on the Consent Agenda, as recommended by City Manager Hildebran.

IV. REQUESTS AND PETITIONS OF CITIZENS

V. REPORTS OF BOARDS AND COMMISSIONS

UPDATE; FY2020 ACTION PLAN & FY2020-2024 UNIFOUR HOME CONSORTIUM:

- A. Rick Oxford, Plan Administrator, Western Piedmont Council of Governments, held the first of two public meetings to receive public comments regarding the proposed FY2020 Action Plan of the City of Lenoir and the FY2020-2024 Unifour HOME Consortium as part of the five-year Consolidated Plan. This plan, as required by the U.S. Department of Housing and Urban Development (DHUD), outlines goals and action plans of the City of Lenoir and the Unifour HOME Consortium and its use of Community Development Block Grant (CDBG) and HOME funds for fiscal year 2020, beginning July 1, 2020 and ending June 30, 2021. The City of Lenoir serves as the Lead Entity for the Unifour Consortium.

Mr. Oxford stated HUD has not yet released funding amounts for municipalities, but reported the City received \$137,000 in Community Development Block Grant Funds (CDBG) in 2019 and \$1,100,000 in HOME Funds. They are proposing these funds be used for improvements at the Mack Cook Stadium and the former Lenoir High School Auditorium (LHS) and gym. Mr. Oxford reported a housing market analysis has been conducted for strategic planning in order to establish goals and identify priority needs of which housing ranks at the top. He stated funds will also continue to be used for the Downpayment Assistance Program for first time home buyers and non-profit organizations such as Habitat. However, he reported the process for future buyers is currently being revised and approval for these applicants will be based on an as needed basis.

On behalf of City Council, Mayor Gibbons thanked Mr. Oxford for the good report.

Customer Service Design Team Members in attendance were Hannah Williams and Kyle Case.

Others in Attendance: Garrett Stell *News-Topic*.

Call to Order

Mayor Gibbons welcomed everyone and called the meeting to order. He stated this was a very important meeting for City Council due to their establishing their priorities for FY2020-21. Mayor Gibbons thanked City Staff for all of their hard work and pointed out Council's goal is to decide on great things for the City.

Mayor Gibbons introduced Anthony Starr, Western Piedmont Council of Governments, Facilitator, of the session. Mr. Starr reviewed the agenda and ground rules for the meeting.

Customer Service Update

Hannah Williams and Kyle Case, Customer Service Design Team members, stated the City's Customer Service Program, which began in 2008, meets monthly. City employees gave out 28 Golden Ticket nominations to their coworkers in 2019. Golden Tickets are given to employees who go above and beyond to provide customer service. The Customer Service Design Team votes on quarterly winners, who receive a half day of paid time off (PTO). The annual winner will be announced at the Service Awards Banquet on Tuesday, March 31st.

Joshua Harris, Public Communications Director, published 12 Team Talk employee newsletters as an opportunity for employees to share good news with one another. The newsletter includes upcoming birthdays, announcements, promotions, employee profiles, and more. Hannah and Kyle also reviewed the City's eight customer service keys. (A copy of the customer service keys is attached to these minutes as information).

In addition, they reviewed a list of accomplishments for 2019 and reported they the Team plans to explore methods in 2020 to develop current employee training and other community service initiatives to improve Team Lenoir.

On behalf of the Design Team, Kyle and Hannah thanked City Council for all of their support.

Mayor Gibbons stated implementing the City's Customer Service Program was one of the best decisions the City has done. City Manager Hildebran stated the program is employee driven and he appreciates everyone's hard work.

Next, Mr. Starr asked Council for there were any changes and/or additions they would like to address in the City's Mission statement. City Council was in consensus to not make any changes to the City's Mission Statement.

Mission Statement & Vision Review (Amendments in "Bold")

The mission of the City of Lenoir is:

- To serve our citizens and the community by providing a clean, safe, healthy, attractive living and business environment, through the efficient delivery of essential city services in a fiscally responsible manner.
- To identify, plan and act on opportunities for preserving and improving the quality of life of all of our citizens and co-workers.

Vision for the City of Lenoir: (Amendments in "Bold")

- We aspire to be the city of choice for ourselves and future generations- beautiful, clean and safe.

We will achieve our vision through:

- A healthy economy
- Strong businesses
- Vital neighborhoods
- A vibrant downtown
- Extensive recreational and cultural opportunities

We will preserve Lenoir's friendly, small town atmosphere and celebrate the diversity of our people.

We require a city government that is:

- Accessible and engaged with the public
- Accountable
- Efficient and responsive
- Employer of choice
- Forward thinking
- **Honest and ethical**
- Inclusive, Innovative, Collaborative
- Transparent
- Fiscally responsible
- With funding that is fair, affordable, and stable

City Council was in consensus to add bullet point **Honest and Ethical** to the City's Vision Statement.

State of the City Presentation – Mayor Gibbons/City Manager Hildebran

Mayor Gibbons and City Manager Hildebran reviewed a power point presentation “Lenoir 2020” regarding the current state of the City. (A copy of the complete power point is attached to these minutes as information).

City Manager Hildebran reported that local unemployment dropped to 3.4% in December 2019 (.03% change) and mentioned Caldwell County tied for 39th among the state’s 100 counties which is an improvement from November, when it was tied for 45th place. In addition, he reported that private-sector wages climbed 27% in the past four years to an average salary of \$38,957; the largest increase among counties in the Hickory-Lenoir-Morganton MSA. Job numbers remain at a 12 year high which is around 36,000 and 300+ more people are working in May 2019 vs. May 2018. Mayor Gibbons reported that 4/5 residents have a high school diploma, compared to 2/3 in 2006 and 24.5% of residents have a two year degree, compared to 18.4% in 2006. He stated that education is a priority for our community.

Mr. Hildebran reviewed a list of new businesses that have recently opened in Lenoir or have remodeled their current facility in 2019. He further pointed out that Exela Pharma Sciences previously acquired the former expo building and invested \$25 million in the community plus added 50 new jobs. Exela’s average salary exceeds \$50,000. Councilmember Willis shared that Caldwell Community College & Technical Institute (CCC&TI) has implemented a program to train individuals to work in the pharmaceutical industry.

Mayor Gibbons shared downtown accomplishments that include Move Lenoir to 2nd Floor and the successful Branding Campaign “Together We Create”. He reported that Main Street is also looking at a city-wide branding plus the addition of way finding signage. In addition, there are 12 residential units under construction in the downtown area, and once the new construction is complete, 20 new residences will be available. Mayor Gibbons further shared that Waterlife Church has completed their remodel of the former Belk facility in the old Lenoir Mall and will be ready to have conduct services there on Sunday.

A number of other projects were highlighted such as the Charters of Freedom located in downtown, the community gardens, and the J.E. Broyhill Park and Optimist Park improvements. A Parks & Recreation Trust Fund Grant (PARTF) was used for renovations at the Optimist Park. Also, N.C. State University students and Seth Nagy, County Extension Agency, are working on a stormwater project for the J. E. Broyhill Park. The Lenoir Greenway will also be going through a section of Optimist Park. It was also pointed out that cameras are being installed in the parks for added security and safety of citizens.

Currently, Public Works Staff started paving the Rail Trail through Lenoir in October 2019. Staff began at North Main Street and went south to Harper Avenue. Harper Avenue to Morganton Boulevard will be completed in 2020. This project is coming in under budget. Public Works Director Jared Wright shared that in December 2019, Google completed construction of a greenway pedestrian bridge across Lower Creek that connects Google’s property to the City trailhead on Morganton Boulevard. In addition, Director Wright reported that Staff is working with Waterlife Church and Google to acquire easements to connect and continue the greenway along Morganton Boulevard.

Next, Mr. Hildebran reminded Council they approved a three phase plan to convert Harper Avenue and West Avenue back to two-way traffic in 2019. In September 2019, Council further

approved the closing of Steel Street and returning the property back to the adjacent property owners.

Introduction of Senator Warren and Lydia Daniel

Next, Mayor Gibbons welcomed and introduced N.C. Senator Warren Daniels and his wife, Lydia, who dropped by during the meeting. Senator Daniels stated he was honored and proud to represent this part of the state. He further mentioned that mill tax credits were created by the state and pointed out these projects were beginning to rebound. Senator Daniels remarked he hopes Lenoir's future project will be successful.

Greenway/Trails/Sidewalks

Planning Director Wheelock and Public Works Director Wright reviewed a map addressing the City's sidewalk issues and stated the City is planning to use sidewalk funding to complete several sidewalks such as the one located at Ruby Tuesdays and Starbucks that currently do not connect to any other businesses on Hwy 321. The remaining locations to be addressed are KFC to Walgreens to the Lenoir Greenway. Director Wheelock remarked the recent paving of several streets along with working on wayfinding signage and addressing blight would help with this issue.

A copy of the power point presentation of the Greenway/Trails/Sidewalks presentation is attached to these minutes as information.

Public Works Director Wright also reviewed a map of the proposed \$1,000,000 Hospital Avenue Sidewalk Project which will connect downtown and the City's greenway. This project will connect neighborhoods to jobs, medical facilities, pharmacies and shopping on Highway 321. The utilities will be located overhead and there will not be any road closures. The City would also be acquiring 18 rights-of-ways along with official permits from the NCDOT Project Design Manager. Also, Director Wright shared a sidewalk gap exists as you travel from Nuway Circle to Sagebush Restaurant.

Housing Update

Planning Director Jenny Wheelock presented information regarding the current status of Lenoir's housing market. Director Wheelock pointed out that 81% of employers agree the tight housing market is a recruitment problem and related that vacant housing dropped to 16%, down 2% from 2010 according to the U.S. Census Bureau's 2017 American Community Survey. City Council adopted ordinances making it easier to place infill manufactured homes and easier to renovate single-family homes. Council further adopted a zoning ordinance update to accommodate by-right multi-family development and created the Historic Preservation Commission (HPC). In addition, Council declared local mills as historic landmarks.

A copy of the power point presentation for the Housing Updates is attached to these minutes as information.

Director Wheelock reviewed the following current housing projects:

- Education Foundation teaching housing at 1015 Ashe Avenue
- Katts Corner (approved April 2019)
- Crescent Pointe senior Living (October 2019-permits issued)
- Mill Projects – (approved June 2019)
- Glenn Miller Const. (purchased 3 lots on Woodbine Place for market rate single-family homes)
- Downtown Housing Projects – 12 residential units under construction and once complete, 20 residences will be available in the downtown district.

- Residential Ready to Build web page was added to the City's website at www.cityoflenoir.com/readytobuild in May 2019. This site provides contact information and a map of more than 300 residential lots currently served by utilities and ready to build.

Director Wheelock reported the goal is to make neighborhoods a place worth investing and remarked that foreclosures and abatements will help long term with this issue. She further shared that Planning and Police Staff facilitated six housing abatement and demolition projects in 2019.

Update; Brownfields Project

Public Utilities Radford Thomas updated City Council regarding the progress of the Brownfields Program as follows:

- City Service Cleaners building – Phase 1 and 2 Assessment
- Blue Bell building – Phase 1 and 2 Assessment; lead and asbestos assessment
- Norfolk Southern Depot – Phase 1 and 2 Assessment
- Bost Lumber/Steel St. Building - Phase 1 and 2 Assessment
- Jo Jas's Service Station - Phase 1 and 2 Assessment
- Working on the brownfield agreement for the city owned site on Virginia Street/College Avenue

Review of 2019-20 Strategic Priorities/Other Areas of Focus

City Manager Hildebran reviewed each of the six 2019 Council Budget Priorities and the Future Issues/Items (3-5 Year Timeframe) Priorities. (A copy of the 2019-20 priorities list is attached to these minutes as information).

- 1) **Employee Compensation**
- 2) **Housing**
- 3) **Healthy Infrastructure**
- 4) **Economic Development**
- 5) **US 321 & Community Beautification**
- 6) **Public Engagement**

Future Issues/Items (3-5 Year Timeframe) Priorities

1. **City Facilities**
2. **Employee Compensation**
3. **Street Maintenance**
4. **Wayfinding Signage**
5. **Pedestrian Access – Wilkesboro Boulevard Corridor**

Mr. Hildebran shared that a number of municipalities are experiencing issues with employee retention. A brief discussion followed regarding how the City is addressing this issue. In addition, Mr. Hildebran also reviewed a list of projects (Other Areas to Focus) with Council. (A copy of this list is attached to these minutes as information).

Finance Director Donna Bean shared the City is currently working on a policy for employee participation in a wellness program. There will not be a cost to employees that opt to participate in the wellness option, but there may be a premium cost for those who choose not to participate. Director Bean stated she is still working on this policy. However, she explained employees would have added coverage plus cost savings on prescriptions.

Next, City Council listed their top priorities.

1. Employee Recruitment/Retention
2. Housing
3. Community Beautification
- 4, Healthy Infrastructure
5. Economic Development
6. Public Engagement

Next, Facilitator Starr asked Council to express what their 2020 priorities are.

Prestwood – public relations/consumer confidence

Perkins – public relations

Thomas – employee engagement

Stevens – housing/what can we do

Jonathan – employee engagement

Todd – financial efficiency in delivering service

Ben – sidewalk gaps

Mayor – branding/signage/wayfinding

Next, Mr. Starr asked Council what item stood out to them?

Prestwood – funding infrastructure

Perkins – employee retention

Thomas – use of digital services

Beal – gap in waste collection/employees do a great job

Perdue – continuation of Council’s forward thinking regarding public utilities

Willis – retaining state of art technology and security

Mayor – employee compensation/how can we fund it?

Additional responses

Prestwood – law enforcement needs & quality of life

Stevens – paving

Willis – diversity & awareness

Perdue – most proud of how city uses media

Thomas – referred to communication with those individuals that don’t use technology/share your story

Beal – residents have low self-esteem/how to project a more positive self-image
citizens want more retail/housing/employee compensation important

Willis- are we an example others want to copy?

Much discussion followed regarding how Council could address their priorities. It was also mentioned that US Hwy 321 is a priority. Also, discussion centered on cleaning up Lenoir, keeping abreast of current technology, employee compensation and public utilities.

Next, Mr. Starr directed Council to limit their priorities to five items.

Mayor – employee compensation

Willis – housing strategy
