Lenoir Police Department 14th Annual Citizen's Canine Academy Fall 2019

Announcement

The Lenoir Police Department is hosting our annual “Citizen’s Canine Academy” during the Summer/Fall months of 2019. K-9 Officers from within the department will be instructing citizens on basic obedience exercises, and assisting citizens with obedience concerns with their pets. This training will provide owners a chance to conduct “hands on” training with their pet to improve obedience control.

- *** No aggression or protection training during this course. No overly aggressive dogs will be accepted. ***
- *** There is no cost to attend the training, however donations to supplement the canine budget will be accepted. ***

About the Training

Training will begin on September 5th and will last for 6 weeks. Students will meet every Thursday evening during the course. Each session will last from 6:00 P.M. until 7:00 P.M. This allows for a one hour block of instruction to review what has been learned during previous sessions, introduce new exercises, and address individual problems. Training will take place at various locations inside the city. Class size will be limited to provide an appropriate instructor/handler ratio. ** This training is conducted outdoors and requires standing for long periods of time and continuous walking. **
